

NUS Enterprise Summer Programme in Entrepreneurship

NUS Enterprise Summer Programme in Entrepreneurship is a two-week programme organised by the National University of Singapore. It offers students a once-in-a-lifetime opportunity to learn the fundamentals of Singapore's success as one of the world's most competitive economies, from its humble beginnings as a trading port.

Students will learn the mechanics behind Singapore's public policy and economic development, immerse in new venture creation process, gain insights into entrepreneurship development and exposure to the start-up scene in Singapore.

The NUS Enterprise Summer Programme provides you with an enriching learning experience and interaction with local students in this dynamic multi-cultural metropolis. Participants will get the opportunity to learn from academic and industry experts, start-up founders, ecosystem builders, corporate intrapreneurs, venture capitalists and more.

PROGRAMME DETAILS:

Lectures will be conducted in English by faculty members from the National University of Singapore and industry experts. Students who have met the programme requirements will be awarded 4 modular credits (4 MCs) and a Certificate of Completion from NUS Enterprise at the end of the programme

PROGRAMME FEE:

SGD 4,650

ELIGIBILITY CRITERIA:

The NUS Enterprise Summer Programme in Entrepreneurship is open to students currently enrolled in an accredited University, majoring in any discipline. Priority consideration will be given to students with a basic interest in entrepreneurship
